The Ambassador of The People's Republic of China in The Republic of Hungary**

Budapest

Dear Mr. Ambassador,

The Medical Group of the Hungarian Maltese Charity Service (Hungarian Malteser Medical Rescue Team) performs special rescuing and curing activities since 2005.

Since then, our medical and rescue crew has been actively involved in curing thousands of survivors from devastated, infrastructurally perished areas caused by catastrophes and natural disasters – in the tidal wave of Sumatra, the earthquake in Pakistan, the volcanic eruption and earthquake by the island of Java, and the war in Lebanon.

Hearing of the news of the earthquake in Sichuan, our medical team has fully prepared, and is standing by since a week, to travel to your country to aid the work of the local medicare system.

Dear Mr. Ambassador, as the managing vice-president of Hungarian Maltese Charity Service, I hereby would like to offer you our immediate help.

Respectfully yours,

Miklós Vecsei
managing vice-president
Hungarian Maltese Charity Service
